**April 27, 2015**

**TO:** Honorable Abel Herrero, Chair, House Committee on Criminal Jurisprudence

**IN RE: HB1358** by Spitzer (Relating to a presumption that applies to certain conduct involving certain controlled substances that endangers a child.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Penal Code as it relates to a presumption that applies to certain conduct involving certain controlled substances that endanger a child. Under the provisions of the bill, the controlled substances portion of the abandoning or endangering a child statute would be modified and consolidated. This analysis assumes the provisions of the bill would not significantly impact state correctional agencies.

**Local Government Impact**
