FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

March 17, 2015

TO: Honorable Tan Parker, Chair, House Committee on Investments & Financial Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB1399** by Goldman (Relating to procedures and requirements for the issuance of certificates of obligation.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to specify that except in a case of grave public necessity, the governing body that issues certificates may not authorize a certificate to pay a contractual obligation to be incurred if a bond proposition was submitted to voters during the preceding three years and failed to be approved. The bill would also provide requirements for notice of intention to issue certificates.
