**FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION**

**April 24, 2015**

**TO:** Honorable Myra Crownover, Chair, House Committee on Public Health

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB1952** by Springer (Relating to grants awarded by the Cancer Prevention and Research Institute of Texas.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend Health and Safety Code to prohibit the Cancer Prevention and Research Institute of Texas from awarding grants for product development of a private sector entity or to attract, create, or expand a private sector entity. The bill could reduce the revenue generated from product development grant income, however CPRIT indicates that any costs associated with implementing the bill could be absorbed within existing resources.

The bill would take effect immediately upon receiving two-thirds vote in each house. Otherwise, the bill would take effect September 1, 2015.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
