

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 20, 2015

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2033** by Raymond (Relating to authorizing counties to require the submission of digital maps in connection with the county plat approval process.), **As Passed 2nd House**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to permit a commissioners court of a county to require certain applications for county plat approval to include digital maps that are compatible with other mapping systems used by the county and that fulfill certain other requirements. The bill would require an exception to be available to an owner if the owner of the tract submits with the application a statement indicating the technology necessary to comply with the requirements was not reasonably accessible.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
