FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

March 23, 2015

TO: Honorable Myra Crownover, Chair, House Committee on Public Health

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2171 by Sheffield (Relating to information maintained in the immunization registry with the consent of an individual after the individual becomes an adult.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would modify Chapter 161 of the Health and Safety Code as it relates to information maintained in the immunization registry. The bill would require the Department of State Health Services (DSHS) to change the process and timing by which an individual consents to maintain information in the immunization registry after an individual becomes an adult. It is assumed DSHS could implement the provisions of the bill within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
