Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

March 25, 2015

TO: Honorable Rafael Anchia, Chair, House Committee on International Trade & Intergovernmental Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2215** by Guillen (Relating to notice and opportunity to cure before filing certain enforcement actions against subdividers of land in certain border and economically distressed counties.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government and Water Code to require a subdivider to be notified about the nature of certain alleged violations and given 90 days to cure the violation before enforcement action may proceed. The bill provides provisions in which the bill would not apply.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
