Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

April 14, 2015

TO: Honorable John Frullo, Chair, House Committee on Insurance

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2219 by Coleman (Relating to health benefit plan coverage for injuries related to certain conduct of a covered individual.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Insurance Code relating to health benefit plan coverage for injuries related to certain conduct of a covered individual.

Based on information provided by the Texas Department of Insurance (TDI), the bill could result in a one-time revenue gain of approximately \$39,600 to be deposited to the General Revenue-Dedicated Texas Department of Insurance Fund 36 (Fund 36). Since Fund 36 is a self-leveling account, this analysis also assumes that any additional revenue resulting from the implementation of the bill would accumulate in account fund balances and that TDI would adjust the assessment of the maintenance tax or other fees accordingly in the following year.

Based on information provided by TDI, University of Texas System Administration, and Texas A&M University System Administration, it is assumed that all duties and responsibilities necessary to implement the provisions of the bill could be accomplished within existing staff and resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
