

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

April 15, 2015

TO: Honorable Larry Phillips, Chair, House Committee on Homeland Security & Public Safety

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2269** by Metcalf (Relating to the unlawful seizure of a firearm by a governmental officer or employee; creating an offense.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would create a Class A misdemeanor offense for a government employee to seize a firearm in accordance with a federal law that does not exist under Texas law.

The bill would create an exception to this rule if the seizure is consistent with United States Constitutional authority. This exception could be negated in the event that the prosecution proves beyond a reasonable doubt that, based on a decision by the United States Supreme Court, the aforementioned federal law is not within the scope of powers granted by the United States Constitution.

A Class A misdemeanor is punishable by a fine of not more than \$4,000, confinement in jail for a term not to exceed one year, or both.

Local Government Impact

Costs associated with enforcement, prosecution and confinement could likely be absorbed within existing resources. Revenue gain from fines imposed and collected is not anticipated to have a significant fiscal implication.
