Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 20, 2015

TO: Honorable John Whitmire, Chair, Senate Committee on Criminal Justice

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2286 by Parker (Relating to the eligibility of certain victims of trafficking of persons for an order of nondisclosure; authorizing a fee.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Business and Commerce Code, Occupations Code, and Government Code to authorize a defendant convicted of prostitution and that successfully completes a period of deferred adjudication or community supervision to petition the court for an order of nondisclosure on the grounds that the person committed the offense solely as a victim of trafficking. The bill would authorize the court to issue an order prohibiting criminal justice agencies from disclosing information to the public about the conviction and would amend provisions regarding obtaining and complying with an order of nondisclosure to include convictions within this category.

Based on the analysis of the Office of Court Administration, the Comptroller of Public Accounts, the Department of Public Safety, and the Department of Criminal Justice, no significant fiscal impact to the state is anticipated.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
