**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE:** **HB2359** by Bohac (Relating to prohibiting the Department of Public Safety from responding to bulk requests from the federal government for lists of individuals licensed to carry a concealed handgun.), **Committee Report 1st House, Substituted**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would amend the Occupations Code to proscribe, to the extent allowable by federal law, the Department of Public Safety (DPS) from providing a list of individuals licensed to carry a concealed handgun in response to a federal criminal justice agency's submission of a bulk request for such information. The bill would also require a state or federal criminal justice agency to secure a subpoena in order for DPS to disclose certain information on an individual licensed to carry a concealed handgun.

It is assumed any costs associated with implementing the provisions of the bill could be absorbed within current resources. The bill would take effect September 1, 2015.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
