Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 18, 2015

TO: Honorable Charles Schwertner, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2574** by Johnson (Relating to increasing awareness of the danger of heatstroke for a child left unattended in a motor vehicle.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code to require that resource materials currently distributed to parents by providers of childbirth services include information on the danger of heatstroke to a child left unattended in a vehicle. The Department of State Health Services (DSHS) would be required to make the materials available on its website. DSHS indicates that implementation of the bill by the Safe Riders Program at DSHS could be absorbed within current resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
