**April 2, 2015**

**TO:** Honorable Abel Herrero, Chair, House Committee on Criminal Jurisprudence

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB3807** by Farney (Relating to the punishment of certain controlled substance offenses committed in a drug-free zone.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Health and Safety Code as it relates to the punishment of certain controlled substance offenses committed in a drug-free zone. Under the provisions of the bill the penalty for the possession, manufacture, or delivery of a Penalty Group 1-A substance in a drug-free zone would be enhanced.

The Texas Department of Public Safety indicates they do not anticipate a significant fiscal impact as a result of implementing the provisions of the bill. This analysis assumes implementing the provisions of the bill would not result in a significant impact on state correctional agencies.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
