

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

April 29, 2015

TO: Honorable Tan Parker, Chair, House Committee on Investments & Financial Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB4209 by Capriglione (Relating to the investment of public funds.), **As Introduced**

The bill would authorize eligible entities to expand investment options including investing in hedging contracts and insurance agreements. Depending upon the investment decisions that would be made by eligible entities, there could be an indeterminate financial impact to the state.

The bill would amend Chapter 2256 of the Government Code, which governs certain public funds in the custody of state and local agencies. For affected entities, the bill would amend regulations governing the types of investments in which entities could invest funds. Because the financial impact of investment decisions authorized by the bill is unknown, the fiscal impact to state agencies cannot be estimated.

Local Government Impact

The fiscal implications to units of local government cannot be determined at this time.
