

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 28, 2015

TO: Honorable Dan Patrick, Lieutenant Governor, Senate

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB11 by Birdwell (Relating to the carrying of handguns on the campuses of and certain other locations associated with institutions of higher education; providing a criminal penalty.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend the Government Code and Penal Code to authorize an individual possessing a valid concealed handgun license issued in the state of Texas to carry a concealed handgun on premises associated with certain public and private institutions of higher education, excluding health related institutions. The bill would allow an institution of higher education under certain circumstances to establish rules prohibiting license holders from carrying concealed handguns on specifically identified premises of the institution. The bill would also allow an institution of higher education to establish rules governing the storage of handguns in dormitories, and would stipulate an institution, officer, employee, peace officer or handgun instructor may not be held liable for damages or cause under the provisions of the bill.

State institutions of higher education reported varying estimates of cost associated with implementing certain provisions of the bill. It is assumed implementing the provisions of the bill could be absorbed within existing resources. The bill would take effect September 1, 2015.

Local Government Impact

Local community college districts could experience increased costs related to campus police operations, security programs, and staff training. Adaptation of community college campus facilities to accommodate the storage of handguns could result in new costs for community college districts.
