FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 7, 2015

TO: Honorable Charles Schwertner, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB201 by Nelson (Relating to the efficiency and consolidation of powers and duties within the health and human services system.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 531 of the Government Code to require that the internal audit programs for each health and human services agency be operated as a consolidated internal audit program by the Health and Human Services Commission (HHSC). The bill would also require that the information resources manager for each health and human services agency report directly to the HHSC executive commissioner or designee. HHSC indicates that costs associated with these provisions could be absorbed within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
