

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

March 9, 2015

TO: Honorable Troy Fraser, Chair, Senate Committee on Natural Resources & Economic Development

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB209 by Hinojosa (Relating to the continuation and functions of the Texas Workforce Investment Council, including assumption of the duties of the Texas Skill Standards Board.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would continue the Texas Workforce Investment Council for 12 years until 2027, as recommended by the Sunset Commission review. The bill would require the Council to provide advice and report on the development of skill standards across major skilled occupations. The bill would abolish the Texas Skills Standards Board and transfer its powers and duties to the Texas Workforce Investment Council. LBB analysis determined the resulting savings from the transfer would be minimal. The bill would take effect September 1, 2015.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
