**FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION**

**March 24, 2015**

**TO:** Honorable Charles Schwertner, Chair, Senate Committee on Health & Human Services

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: SB785** by Uresti (Relating to a prohibition on a resident admission requirement for on-site inspections of assisted living facility license applicants.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend Chapter 247, Health and Safety Code to prohibit the Department of Aging and Disability Services (DADS) from requiring that an assisted living facility license applicant admit a resident before DADS conducts an on-site health inspection. DADS indicates the bill could be implemented within existing resources. The Health and Human Services Commission indicates any costs related to rulemaking activities that are necessary to implement the bill would be minimal and can be absorbed within available resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
