

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION
Revision 1

April 1, 2015

TO: Honorable Charles Perry, Chair, Senate Committee on Agriculture, Water & Rural Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB912 by Eltife (relating to a volume-based exemption from reporting requirements for certain accidental discharges or spills from wastewater facilities.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would provide a volume-based exemption from the reporting requirements for accidental discharges or spills. The bill would provide that single accidental discharges or spills at wastewater treatment facilities or collection facilities do not have to be reported to the Texas Commission on Environmental Quality (TCEQ) under certain circumstances. The bill would require that individuals submit monthly summaries of accidental discharges that are exempt from the reporting requirement. The bill would require the TCEQ to adopt rules necessary to implement the provisions of the bill by June 1, 2016.

Passage of the bill is not expected to have a significant impact on TCEQ's workload.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
