

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 7, 2015

TO: Honorable Jimmie Don Aycock, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB955 by Schwertner (Relating to permissible locations of open-enrollment charter schools created by certain institutions of higher education.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would allow the Commissioner of Education to grant a charter to public senior colleges or universities to operate an open-enrollment charter school campus at any location in the state.

There could be an increase in requests for expansions from institutions of higher education (IHEs) or increases in requests to operate IHE charters in new locations. If the IHE requests increase significantly, the Texas Education Agency could require additional resources to assist with the IHE charter process.

Local Government Impact

No fiscal implication to units of local government is anticipated.
