FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 3, 2015

TO: Honorable René Oliveira, Chair, House Committee on Business & Industry

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1420 by Hancock (Relating to notices of appraised value sent to property owners by the chief appraisers of appraisal districts.), **As Engrossed**

<p>No fiscal implication to the State is anticipated.</p>
--

The bill would amend Chapter 25 of the Tax Code, regarding local property tax appraisal, to require a chief appraiser to send a notice of appraised value to a property owner if an exemption or partial exemption approved for the property for the preceding year was canceled or reduced for the current year. The notice of appraised value would be revised to include the kind and amount of each exemption (rather than just partial exemption) approved for the property in the current and preceding year, and, if an exemption or partial exemption that was approved for the preceding year was canceled or reduced for the current year, the amount of the exemption or partial exemption canceled or reduced.

The bill would not affect taxable property values, tax rates, collection rates, or any other variable which might affect the revenues of units of local governments or the state.

The bill would take effect January 1, 2016, but a notice of appraised value for a tax year beginning before the effective date would be governed by the law in effect immediately before the effective date of the bill.

Local Government Impact

No fiscal implication to units of local government is anticipated.
