

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

April 22, 2015

TO: Honorable Larry Taylor, Chair, Senate Committee on Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **SB1479** by Garcia (Relating to reasonable break times and facilities for school district educators expressing breast milk.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would require a school district to provide break time at appropriate intervals for an educator to express breast milk for the educator's child who is under one year of age and to provide a room or location in close proximity to the educator's work area, other than a toilet stall or restroom, with an electrical outlet and locking door for expressing breast milk.

Local Government Impact

School districts that do not already accommodate employees expressing breast milk may experience some administrative costs. Administrative costs would vary depending on whether the facility already had a suitable location for expressing breast milk. There could also be administrative costs to school districts to accommodate reasonable breaks each time an employee needed to express breast milk.
