

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 20, 2015

TO: Honorable Jimmie Don Aycock, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1494 by Uresti (Relating to the educational needs of homeless students.), As Engrossed

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would extend to students who are homeless certain assistance that is currently offered to students who are in substitute care.

The bill would have no direct fiscal impact on the Department of Family and Protective Services. The Texas Education Agency indicates that any additional work resulting from the passage of the bill could be reasonably absorbed within current resources.

Local Government Impact

School districts would experience administrative costs to the extent that these districts are not currently providing certain transition services to homeless students. Administrative costs would vary depending on whether districts were currently offering these services or not and the number of homeless students in the district.
