**Austin, Texas**

**FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION**

**April 7, 2015**

**TO:** Honorable Robert Nichols, Chair, Senate Committee on Transportation

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: SB1561** by Zaffirini (Relating to contributions and registrations for an anatomical gift registry; authorizing a fee.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Transportation Code to allow individuals who are obtaining their driver's licenses to donate any amount to the anatomical gift registry. Funds collected for this purpose are deposited with the Comptroller to the credit of the Glenda Dawson Donate Life - Texas Registry Fund.

The Department of Public Safety has indicated the estimated revenue increase resulting from the bill is indeterminate because these donations are voluntary and the amount of donation would vary among individuals.

It is assumed any costs associated with implementing the bill could be absorbed within current agency resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
