IN RE: **SB1585** by Lucio (Relating to a study on the feasibility of establishing a prepaid investment plan or other product to help citizens of this state finance and access residential care.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would require the Health and Human Services Commission (HHSC), in cooperation with the Comptroller of Public Accounts (CPA) and the Department of Aging and Disability Services (DADS), to conduct a study on the feasibility of establishing a prepaid investment plan or other product to help citizens finance and access residential care and submit a report by November 1, 2016 containing the findings of the study.
