

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION**

**April 8, 2015**

**TO:** Honorable Larry Taylor, Chair, Senate Committee on Education

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE:** SB1711 by Campbell (Relating to rules which insure that local independent school district selection of non-state adopted instructional materials to be purchased with state funds, is as accountable and transparent as the State Board of Education approval process for state-adopted instruction materials.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would allow the State Board of Education (SBOE) to adopt rules to establish minimum standard for local procedures to adopt non-state adopted instructional materials purchased using state funds. The Texas Education Agency anticipates any additional work resulting from the passage of the bill could be reasonably absorbed within current resources.

**Local Government Impact**

School districts may incur administrative costs to comply with SBOE rules if the SBOE elected to adopt rules and districts elected to adopt non-state adopted instructional materials.
