Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

April 24, 2015

TO: Honorable Charles Schwertner, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1873 by Campbell (Relating to requiring personnel of abortion facilities and certain other facilities performing abortions to complete training on human trafficking.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 171 of the Health and Safety Code, relating to requiring personnel of abortion facilities and certain other facilities performing abortions to complete training on human trafficking. The bill would require that not later than December 1, 2015, the executive commissioner of the Health and Human Services Commission adopt rules to require any employees, contractors, or volunteers at an abortion facility or ambulatory surgical center that performs more than 50 abortions in any 12 month period to complete training on human trafficking. The bill would require the Texas Commission on Law Enforcement to make certain training programs available to the personnel. Personnel who begin working or volunteering at a facility prior to September 1, 2015 would have until September 1, 2016 to comply with the provisions of the bill. The bill would take effect immediately if a two-thirds majority vote in both houses of the Legislature is received. Otherwise, the bill would take effect September 1, 2015.

Based on the analysis provided by the Health and Human Services Commission, the Texas Commission on Law Enforcement, and Department of State Health Services, it is assumed that the provisions of the bill can be implemented within existing resources.

Local Government Impact
