Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 15, 2015

TO: Honorable Joseph Pickett, Chair, House Committee on Transportation

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **SB1875** by Uresti (Relating to funding to counties for transportation infrastructure projects located in areas of the state affected by increased oil and gas production.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Subchapter C, Chapter 256, of the Transportation Code, relating to the Transportation Infrastructure Fund (TIF), to change the formula by which the grants from the TIF are allocated among counties.

Based on the information provided by the Texas Department of Transportation, it is assumed any duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.

Local Government Impact

There could be a revenue loss to counties no longer eligible for grants under the provisions of the bill and a corresponding gain to other eligible counties.

Costs associated with the application requirements of the bill are not anticipated to be significant.
