

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 28, 2015

TO: Honorable Dan Patrick, Lieutenant Governor, Senate

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1934 by Campbell (Relating to requirements for the issuance of a driver's license or personal identification certificate.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend the Transportation Code to stipulate how the Department of Public Safety (DPS) may request and use a driver license applicant's social security number, and would apply the same standards to personal identification cards. The bill would require an individual to surrender their identification card to get a driver license, and their driver license to get an identification card.

The bill would also amend the Government Code to require DPS to conduct a study on the feasibility of allowing a digitally displayed driver's license as proof of possessing a valid driver's license.

It is assumed implementing the provisions of the bill could be absorbed within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
