## **House Committee on Energy Resources**

3/8/2016

Testimony taken/registration recorded on reviewing how the Mexican energy transformation has bolstered or diminished the energy economy of Texas. Explore opportunities that would encourage binational exchange and commerce of oil, gas, and oilfield materials. Discuss how a competitive market across the border will affect supply, market price, reliability of Texas oil, gas and energy markets, pipeline build-out as well as other economic factors such as workforce and local economy sustainability.

At 11:49 a.m., on the motion of the chair and without objection, the meeting was adjourned subject to the call of the chair.
