

House Bill 2033
Senate Amendments
Section-by-Section Analysis

HOUSE VERSION

SECTION 1. Section 232.001, Local Government Code, is amended by adding Subsection (f) to read as follows:

(f) The commissioners court may require a plat application submitted for approval to include a digital map that is compatible with other mapping systems used by the county and that georeferences approved subdivision plats and related infrastructure.

SECTION 2. Section 232.023, Local Government Code, is amended by adding Subsection (f) to read as follows:

(f) The commissioners court may require a plat application submitted for approval to include a digital map that is compatible with other mapping systems used by the county and that georeferences approved subdivision plats and related infrastructure.

SENATE VERSION (CS)

SECTION 1. Section 232.001, Local Government Code, is amended by adding Subsection (f) to read as follows:

(f) The commissioners court may require a plat application submitted for approval to include a digital map that is compatible with other mapping systems used by the county and that georeferences the subdivision plat and related public infrastructure using the Texas Coordinate Systems adopted under Section 21.071, Natural Resources Code. A digital map required under this subsection may be required only in a format widely used by common geographic information system software. A requirement adopted under this subsection must provide for an exemption from the requirement if the owner of the tract submits with the plat application an acknowledged statement indicating that the digital mapping technology necessary to submit a map that complies with this subsection was not reasonably accessible.

SECTION 2. Section 232.023, Local Government Code, is amended by adding Subsection (f) to read as follows:

(f) The commissioners court may require a plat application submitted for approval to include a digital map that is compatible with other mapping systems used by the county and that georeferences the subdivision plat and related public infrastructure using the Texas Coordinate Systems adopted under Section 21.071, Natural Resources Code. A digital map required under this subsection may be required only in a format widely used by common geographic information system software. A requirement adopted under this subsection must provide for an exemption from the requirement if the subdivider of the tract submits with the plat application an acknowledged statement indicating that the
