1        (b) The reporting requirements of this section apply only  
2 to:

3            (1) a physician who:

4                    (A) performs at an abortion facility an abortion  
5 that results in an abortion complication diagnosed or treated by  
6 that physician; or

7                    (B) diagnoses or treats at an abortion facility

24 the complication.

25        (d) The commission shall develop a form for reporting an

27 the commission's Internet website. The executive commissioner by

1 rule may adopt procedures to reduce duplication in reporting under  
2 this section.

3 (e) A report under this section may not identify by any  
4 means the physician performing an abortion, other than a physician  
5 described by Subsection (b)(1), or the patient on whom the abortion  
6 was performed.

7 (f) A report under this section must identify the name of  
8 the physician submitting the report or the name and type of health  
9 care facility submitting the report and must include, if known, for  
10 each abortion complication:

12 caused the complication;

23 treated;

24 (7) a description of the complication;

25 (8) the patient's year of birth, race, marital status,  
26 and state and county of residence;

27 (9) the date of the first day of the patient's last

6 patient.

7 (g) Except as provided by Section 245.023, all information  
8 and records held by the commission under this section are  
9 confidential and are not open records for the purposes of Chapter  
10 552, Government Code. That information may not be released or made  
11 public on subpoena or otherwise, except release may be made:

12 (1) for statistical purposes, but only if a person,  
13 patient, or health care facility is not identified;

14 (2) with the consent of each person, patient, and  
15 facility identified in the information released;

16 (3) to medical personnel, appropriate state agencies,

1 care facility that violates this section is subject to a civil  
2 penalty of \$500 for each violation. The attorney general, at the  
3 request of the commission or appropriate licensing agency, may file  
4 an action to recover a civil penalty assessed under this subsection  
5 and may recover attorney's fees and costs incurred in bringing the  
6 action. Each day of a continuing violation constitutes a separate  
7 ground for recovery.

8 (k) The third separate violation of this section  
9 constitutes cause for the revocation or suspension of a physician's  
10 or health care facility's license, permit, registration,  
11 certificate, or other authority or for other disciplinary action  
12 against the physician or facility by the appropriate licensing  
13 agency.

14 (l) The commission shall notify the Texas Medical Board of

21 Services Commission shall adopt the rules necessary to implement  
22 Section 171.006, Health and Safety Code, as added by this Act.

25 171.006, Health and Safety Code, as added by this Act, as soon as

27 SECTION 4. This Act takes effect immediately if it receives

1 a vote of two-thirds of all the members elected to each house, as  
2 provided by Section 39, Article III, Texas Constitution. If this  
3 Act does not receive the vote necessary for immediate effect, this  
4 Act takes effect on the 91st day after the last day of the  
5 legislative session.
