6 SECTION 1. Subchapter A, Chapter 171, Health and Safety  
7 Code, is amended by adding Section 171.006 to read as follows:

8 Sec. 171.006. ABORTION COMPLICATION REPORTING  
9 REQUIREMENTS; CIVIL PENALTY. (a) In this section "abortion  
10 complication" means any harmful event or adverse outcome with

12 patient and that is diagnosed or treated by a health care  
13 practitioner or at a health care facility and includes:

- 14 (1) shock;  
15 (2) uterine perforation;  
16 (3) cervical laceration;  
17 (4) hemorrhage;  
18 (5) aspiration or allergic response;

24 (11) an infant born alive after the abortion.

1        (b) The reporting requirements of this section apply only  
2 to:

3            (1) a physician who:

4                    (A) performs at an abortion facility an abortion  
5 that results in an abortion complication diagnosed or treated by  
6 that physician; or

7                    (B) diagnoses or treats at an abortion facility  
8 an abortion complication that is the result of an abortion  
9 performed by another physician at the facility; or

12 or health care facility that provides emergency medical care, as  
13 defined by Section [773.003](#).

14        (c) A physician described by Subsection (b)(1) shall submit  
15 to the commission in the form and manner prescribed by commission  
16 rule a report on each abortion complication diagnosed or treated by  
17 that physician not later than 72 hours after the complication is  
18 diagnosed or treated. Each health care facility described by  
19 Subsection (b)(2) shall electronically submit to the commission in  
20 the form and manner prescribed by commission rule a report on each  
21 abortion complication diagnosed or treated at the facility not  
22 later than the 30th day after the date on which the complication is  
23 diagnosed or treatment is provided for the complication.

24        (d) The commission shall develop a form for reporting an  
25 abortion complication under Subsection (c) and publish the form on  
26 the commission's Internet website. The executive commissioner by  
27 rule may adopt procedures to reduce duplication in reporting under

1 this section.

2 (e) A report under this section may not identify by any  
3 means the physician performing an abortion, other than a physician  
4 described by Subsection (b)(1), or the patient on whom the abortion  
5 was performed.

6 (f) A report under this section must identify the name of  
7 the physician submitting the report or the name and type of health  
8 care facility submitting the report and must include, if known, for  
9 each abortion complication:

10 (1) the date of the abortion that caused or may have  
11 caused the complication;

12 (2) the type of abortion that caused or may have caused  
13 the complication;

14 (3) the gestational age of the fetus at the time the  
15 abortion was performed;

16 (4) the name and type of the facility in which the  
17 abortion was performed;

18 (5) the date the complication was diagnosed or  
19 treated;

20 (6) the name and type of any facility other than the  
21 reporting facility in which the complication was diagnosed or  
22 treated;

23 (7) a description of the complication;

24 (8) the patient's year of birth, race, marital status,  
25 and state and county of residence;

26 (9) the date of the first day of the patient's last  
27 menstrual period that occurred before the date of the abortion that

1 caused or may have caused the complication;

2 (10) the number of previous live births of the  
3 patient; and

4 (11) the number of previous induced abortions of the  
5 patient.

6 (g) Except as provided by Section 245.023, all information  
7 and records held by the commission under this section are  
8 confidential and are not open records for the purposes of Chapter  
9 552, Government Code. That information may not be released or made  
10 public on subpoena or otherwise, except release may be made:

11 (1) for statistical purposes, but only if a person,  
12 patient, or health care facility is not identified;

13 (2) with the consent of each person, patient, and  
14 facility identified in the information released;

15 (3) to medical personnel, appropriate state agencies,  
16 or county and district courts to enforce this chapter; or

17 (4) to appropriate state licensing boards to enforce  
18 state licensing laws.

19 (h) A report submitted under this section must include the  
20 most specific, accurate, and complete reporting for the highest  
21 level of specificity.

22 (i) The commission shall develop and publish on the  
23 commission's Internet website an annual report that aggregates on a  
24 statewide basis each abortion complication required to be reported  
25 under Subsection (f) for the previous calendar year. The annual  
26 report may not include any duplicative data.

27 (j) A physician described by Subsection (b)(1) or health

1 care facility that violates this section is subject to a civil  
2 penalty of \$500 for each violation. The attorney general, at the  
3 request of the commission or appropriate licensing agency, may file  
4 an action to recover a civil penalty assessed under this subsection  
5 and may recover attorney's fees and costs incurred in bringing the  
6 action. Each day of a continuing violation constitutes a separate  
7 ground for recovery.

8 (k) The third separate violation of this section  
9 constitutes cause for the revocation or suspension of a physician's  
10 or health care facility's license, permit, registration,  
11 certificate, or other authority or for other disciplinary action  
12 against the physician or facility by the appropriate licensing  
13 agency.

14 (l) The commission shall notify the Texas Medical Board of  
15 any violations of this section by a physician.

16 SECTION 2. Not later than January 1, 2018:

17 (1) the Health and Human Services Commission shall  
18 develop the forms required by Section 171.006, Health and Safety  
19 Code, as added by this Act; and

20 (2) the executive commissioner of the Health and Human  
21 Services Commission shall adopt the rules necessary to implement  
22 Section 171.006, Health and Safety Code, as added by this Act.

23 SECTION 3. The Health and Human Services Commission shall  
24 establish an electronic reporting system for purposes of Section  
25 171.006, Health and Safety Code, as added by this Act, as soon as  
26 practicable after the effective date of this Act.

27 SECTION 4. This Act takes effect immediately if it receives

S.B. No. 10

1 a vote of two-thirds of all the members elected to each house, as  
2 provided by Section 39, Article III, Texas Constitution. If this  
3 Act does not receive the vote necessary for immediate effect, this  
4 Act takes effect on the 91st day after the last day of the  
5 legislative session.
