Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

House Bill (HB) 2220, as Filed by Representative Gary Elkins - Relating to the powers and duties of the West Harris County Municipal Utility District No. 21; providing authority to issue bonds; providing authority to impose fees and taxes.

Dear Speaker Straus:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

This bill amends the Special District Local Laws Code by adding Chapter 7976 relating to the West Harris County Municipal Utility District No. 21 (District); this bill specifies that the District has the powers and duties of a standard municipal utility District under Water Code Chapters 49 and 54; this bill grants the District authority for road projects; this bill grants the authority to issue bonds and other obligations for road projects; and, the bill specifies that at the time of issuance, the total principal amount of bonds or other obligations issued or incurred to finance road projects and payable from ad valorem taxes may not exceed one-fourth of the assessed value of real property in the District.

Sincerely,

A handwritten signature in cursive script, reading "Cari-Michel LaCaille".
