TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

March 27, 2017

The Honorable Joe Straus
Texas House of Representatives
Capitol Station
PO Box 2910
Austin, Texas 78768-2910

Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution.

House Bill (HB) 2424, as Filed by Representative Donna Howard-relating to the territory of the Barton Springs-Edwards Aquifer Conservation District.

Dear Speaker Straus:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

The bill amends Texas Water Code §8802, Special District Local Laws Code, for the Barton Springs-Edwards Aquifer Conservation District. The bill adds new territory in Travis County to the Barton Springs-Edwards Aquifer Conservation District that is bounded on the west and south by existing District boundaries; on the north by William Cannon Drive, and on the east by Bluff Springs Road. The new territory is part of the single-member district number four of the District's board of directors, as it existed on May 26, 2016. The bill provides for the board of directors to revise the single-member districts as the board considers appropriate to comply with federal standards.

Sincerely,

A handwritten signature in black ink, appearing to read "Kim Wilson".

Kim Wilson, Director
Water Availability Division

cc: Representative Donna Howard, Texas House of Representatives
