Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

House Bill (HB) 4285, as Filed by Representative John Zerwas - Relating to the powers and duties of the Fort Bend County Municipal Utility District No. 130; providing authority to issue bonds; providing authority to impose a tax.

Dear Speaker Straus:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

This bill codifies Fort Bend County Municipal Utility District No. 130 (District) as Chapter 7994, Special District Local Laws Code, to specify the following: the District has the powers and duties of a standard municipal utility district under Water Code Chapters 49 and 54, with the following exceptions; the bill grants the District authority for road projects; at the time of issuance, the total principal amount of bonds or other obligations issued or incurred to finance road projects and payable from ad valorem taxes may not exceed one-fourth of the assessed value of real property in the District; notwithstanding the acreage requirement under Section 54.801(a), Water Code, the District may establish and administer defined areas as provided by Subchapter J, Chapter 54, Water Code; and the District may add or exclude land from the defined areas in the same manner the District may add or exclude land from the district.

Sincerely,
