Lieutenant Governor of Texas  
Capitol Station  
PO Box 12068  
Austin, Texas 78711

Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

Senate Bill (SB) 2245, as Filed by Senator Donna Campbell - Relating to the creation of the North Hays County Municipal Utility District No. 2; granting limited power of eminent domain; providing authority to issue bonds; providing authority to impose assessments, fees, and taxes.

Dear Governor Patrick:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

Sincerely,

A handwritten signature in cursive script, reading "Cari-Michel LaCaille".

Cari-Michel LaCaille, Director  
Water Supply Division

cc: Honorable Eddie Lucio, Jr., Chairman, Senate Intergovernmental Relations Committee  
Senator Donna Campbell, Texas Senate

Enclosure

**SB 2245, as Filed by Senator Donna Campbell  
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill creates North Hays County Municipal Utility District No. 2 (District) with the powers and duties of a standard municipal utility district under Water Code Chapters 49 and 54.

**Comments on Powers/Duties Different from Similar Types of Districts:**

This bill grants the District authority for road projects; this bill allows the District to divide; the bill specifies that at the time of issuance, the total principal amount of bonds or other obligations issued or incurred to finance road projects and payable from ad valorem taxes may not exceed one-fourth of the assessed value of real property in the District; if the bill does not receive a two-thirds vote of all members elected to each house, the District may not exercise the power of eminent domain; House Bill 4273 by Rep. Isaac is the companion to this proposed bill.

**Overlapping Services:** TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

**TCEQ's Supervision:** As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.
