

Amend CSHB 21 (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION \_\_\_\_\_. Sections 42.152(a) and (c), Education Code, are amended to read as follows:

(a) For each student who is educationally disadvantaged or who is a student who does not have a disability and resides in a residential placement facility in a district in which the student's parent or legal guardian does not reside, a district is entitled to an annual allotment equal to the adjusted basic allotment multiplied by 0.25 [~~0.2~~], and by 2.41 for each full-time equivalent student who is in a compensatory, intensive, or accelerated [~~remedial and support~~] program under Section 29.081 because the student is pregnant.

(c) Funds allocated under this section shall be used to fund supplemental programs and services designed to eliminate any disparity in performance on assessment instruments administered under Subchapter B, Chapter 39, or disparity in the rates of high school completion between students at risk of dropping out of school, as defined by Section 29.081, and all other students. Specifically, the funds, other than an indirect cost allotment established under State Board of Education rule, which may not exceed 25 [~~45~~] percent, may be used to meet the costs of providing a compensatory, intensive, or accelerated instruction program under Section 29.081 or a disciplinary alternative education program established under Section 37.008, to pay the costs associated with placing students in a juvenile justice alternative education program established under Section 37.011, or to support a program eligible under Title I of the Elementary and Secondary Education Act of 1965, as provided by Pub. L. No. 103-382 and its subsequent amendments, and by federal regulations implementing that Act, at a campus at which at least 40 percent of the students are educationally disadvantaged. In meeting the costs of providing a compensatory, intensive, or accelerated instruction program under Section 29.081, a district's compensatory education allotment shall be used for costs supplementary to the regular education program, such as costs for program and student evaluation,

instructional materials and equipment and other supplies required for quality instruction, supplemental staff expenses, salary for teachers of at-risk students, smaller class size, and individualized instruction. A home-rule school district or an open-enrollment charter school must use funds allocated under Subsection (a) for a purpose authorized in this subsection but is not otherwise subject to Subchapter C, Chapter 29. For purposes of this subsection, a program specifically designed to serve students at risk of dropping out of school, as defined by Section 29.081, is considered to be a program supplemental to the regular education program, and a district may use its compensatory education allotment for such a program.
