

Amend **HB 913** on third reading, in SECTION 1 of the bill, in added Section 46.01(18), Penal Code, by striking the last sentence of that subdivision and substituting the following:

The term does not include:

(A) unassembled components that can be legally purchased and possessed without a license, permit, or other governmental approval; or

(B) an exploding target that is used for firearms practice, sold in kit form, and contains the components of a binary explosive.
