(3) "Registered sex offender" means an individual who is required to register as a sex offender under Chapter 62, Code of Criminal Procedure.

(b) To provide for the public safety, the governing body of a general-law municipality by ordinance may restrict a registered sex offender from going in, on, or within a specified distance of a child safety zone in the municipality.

(c) It is an affirmative defense to prosecution of an offense under the ordinance that the registered sex offender was in, on, or within a specified distance of a child safety zone for a legitimate purpose, including transportation of a child that the registered sex offender is legally permitted to be with, transportation to and from work, and other work-related purposes.

(d) The ordinance may establish a distance requirement described by Subsection (b) at any distance of not more than 1,000 feet.

(e) The ordinance shall establish procedures for a registered sex offender to apply for an exemption from the ordinance.

(f) The ordinance must exempt a registered sex offender who established residency in a residence located within the specified

distance of a child safety zone before the date the ordinance is adopted. The exemption must apply only to:

(1) areas necessary for the registered sex offender to have access to and to live in the residence; and

(2) the period the registered sex offender maintains residency in the residence.
