Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Interested parties note that the Texas Veterans Commission is the only state agency whose sole mission is to advocate for and provide benefits and services to veterans. To increase awareness of those benefits and services, H.B. 1802 requires the commission to conduct a community outreach campaign with express authority to contract with outside groups to implement the campaign and to solicit gifts and grants to fund the campaign.

### **CRIMINAL JUSTICE IMPACT**

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
