Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, certain counties have the authority to regulate certain aspects of game rooms and assert that this authority offers greater protection to promote the public health, safety, and welfare of residents in those counties and would similarly benefit other counties. H.B. 3453 seeks to extend this authority to regulate game rooms to a county that is located in the Permian Basin within 25 miles of Texas' border with another state of the United States and has a population of more than 130,000.

The committee substitute for H.B. 3453 includes Harrison, Smith, and Tarrant Counties into the bracket language.

C.S.H.B. 3453 amends current law relating to the regulation of game rooms in certain counties.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
