H.B. 3484 amends the Tax Code to authorize a municipality that has a population of at least 6,000 and that is the county seat of a county that borders the State of Louisiana, is bisected by a U.S. highway, and has a population of 75,000 or less to use all or any portion of the revenue derived from the municipal hotel occupancy tax to construct, improve, maintain, and operate sports facilities and fields for the purpose of promoting tourism and the convention and hotel industry.

H.B. 3484 amends current law relating to the use of municipal hotel occupancy tax revenue by certain municipalities.
