AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

H.B. 4345 creates the Rio de Vida Municipal Utility District No. 1 (the "District"). The District will encompass approximately 2,132 acres of land located in Travis County. Water, sewer, drainage, and road facilities need to be secured because the land to be located within the District will be developed for mixed use purposes. The District is created under Water Code provisions applicable to all water districts and to municipal utility districts and under constitutional provisions relating to conservation and reclamation districts. The District will have standard road powers and must comply with all applicable city standards.

The District will have the authority to divide; any new district created by division may not, at the time of creation, contain any land outside the initial boundaries of the District. The District will have the authority to contract to further regional cooperation and will have the authority to administer programs for economic development, upon city consent. The District will have the authority to issue tax-exempt bonds to purchase, acquire, or construct facilities. It is also necessary to empower the District with the authority to impose an ad valorem tax, a sales and use tax, and a hotel occupancy tax. H.B. 4345 provides for the creation, administration, powers, duties, operation, and financing of the District.

H.B. 4345 amends current law relating to the creation of the Rio de Vida Municipal Utility District No. 1 and provides authority to impose a tax and issue bonds.
