AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The BRAC Task Force was created by the State of Texas to investigate the proper tactics, techniques, and procedures for securing the 15 Texas military installations from downsizing or closure. Data and information gathered by the task force could be detrimental to Texas bases if they were to be made public. The Texas Military Preparedness Commission of the Office of the Governor is supportive of this bill, as are the military installations in Texas.

Key Provision:

As proposed, S.B. 751 amends current law relating to the confidentiality of certain information of and the abolishment date of the military base realignment and closure task force.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
