Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 1518 amends provisions in the Business Organizations Code (the Code) impacting the organization and operation of for-profit corporations and nonprofit corporations and associations. S.B. 1518 updates Texas corporate law, keeping it competitive with other leading business law states, including Delaware and the Delaware General Corporation Laws, and in sync with the Model Business Corporation Act.

The Code consolidates all of the state's business organizations laws to promote uniformity and efficiency. It was enacted by the legislature in 2003 pursuant to a joint drafting effort by the Business Law Section of the State Bar and the secretary of state, with assistance from the Texas Legislative Council in editing and formatting. It took partial effect on January 1, 2006, with full application on January 1, 2010. To continually improve the Code's effectiveness, packages of both substantive and technical amendments have been enacted during each legislative session since its initial adoption.

S.B. 1518 contains five general categories of modifications: for-profit corporation specific, nonprofit specific, director voting, mergers and conversions, and notice uniformity. (Original Author's / Sponsor's Statement of Intent)

C.S.S.B. 1518 amends current law relating to corporations, associations, real estate investment trusts, and related entities and authorizes fees.
