3 The department shall notify the facility whether the treatment plan
4 was approved or disapproved by the department.

5 (e) The department may not approve the provision of

24 Section 49.005 to request the reservation of funds in addition to
25 funds reserved under the original treatment plan.

26 (g) From money in the veterans recovery account, the
27 commissioner shall reimburse a veteran required to travel to obtain

1 treatment under the pilot program for the travel and living

8 for at least six months following the conclusion of treatment, the
9 department shall notify the facility and the veteran receiving
10 treatment under the facility's treatment plan that the funding
11 reserved for the treatment and expenses will be terminated on the
12 90th day after the date the department provides notice under this
13 subsection unless the facility or veteran notifies the department
14 of continued treatment and expenses under the pilot program or
15 requests reimbursement for the treatment already provided or
16 expenses already incurred under the pilot program.

17 (b) If a facility or veteran fails to notify the department
18 of continued treatment and expenses in the time required under
19 Subsection (a), the commissioner shall terminate the reservation of
20 funds in the veterans recovery account under the facility's
21 treatment plan for that veteran.

22 Sec. 49.008. REPORT. Not later than October 1 of each

3 September 1, 2023. Any remaining balance in the veterans recovery
4 account on the expiration of this chapter is transferred to the
5 general revenue fund.

7 Human Services Commission shall adopt the rules necessary to
8 implement Chapter 49, Health and Safety Code, as added by this Act,
9 not later than January 1, 2018.
