et al.

H.B. No. 1133

A BILL TO BE ENTITLED

1 AN ACT

2 relating to the reimbursement of prescription drugs under Medicaid  
3 and the child health plan program.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Section 533.005(a), Government Code, is amended  
6 to read as follows:

7 (a) A contract between a managed care organization and the  
8 commission for the organization to provide health care services to  
9 recipients must contain:

10 (1) procedures to ensure accountability to the state  
11 for the provision of health care services, including procedures for  
12 financial reporting, quality assurance, utilization review, and  
13 assurance of contract and subcontract compliance;

14 (2) capitation rates that ensure the cost-effective  
15 provision of quality health care;

16 (3) a requirement that the managed care organization  
17 provide ready access to a person who assists recipients in  
18 resolving issues relating to enrollment, plan administration,  
19 education and training, access to services, and grievance  
20 procedures;

21 (4) a requirement that the managed care organization  
22 provide ready access to a person who assists providers in resolving  
23 issues relating to payment, plan administration, education and  
24 training, and grievance procedures;

1           (5) a requirement that the managed care organization  
2 provide information and referral about the availability of  
3 educational, social, and other community services that could  
4 benefit a recipient;

5           (6) procedures for recipient outreach and education;

6           (7) a requirement that the managed care organization  
7 make payment to a physician or provider for health care services  
8 rendered to a recipient under a managed care plan on any claim for  
9 payment that is received with documentation reasonably necessary  
10 for the managed care organization to process the claim:

11           (A) not later than:

12                   (i) the 10th day after the date the claim is  
13 received if the claim relates to services provided by a nursing  
14 facility, intermediate care facility, or group home;

15                   (ii) the 30th day after the date the claim  
16 is received if the claim relates to the provision of long-term  
17 services and supports not subject to Subparagraph (i); and

18                   (iii) the 45th day after the date the claim  
19 is received if the claim is not subject to Subparagraph (i) or (ii);  
20 or

21           (B) within a period, not to exceed 60 days,  
22 specified by a written agreement between the physician or provider  
23 and the managed care organization;

24           (7-a) a requirement that the managed care organization  
25 demonstrate to the commission that the organization pays claims  
26 described by Subdivision (7)(A)(ii) on average not later than the  
27 21st day after the date the claim is received by the organization;

1           (8) a requirement that the commission, on the date of a  
2 recipient's enrollment in a managed care plan issued by the managed  
3 care organization, inform the organization of the recipient's  
4 Medicaid certification date;

5           (9) a requirement that the managed care organization  
6 comply with Section 533.006 as a condition of contract retention  
7 and renewal;

8           (10) a requirement that the managed care organization  
9 provide the information required by Section 533.012 and otherwise  
10 comply and cooperate with the commission's office of inspector  
11 general and the office of the attorney general;

12           (11) a requirement that the managed care  
13 organization's usages of out-of-network providers or groups of  
14 out-of-network providers may not exceed limits for those usages  
15 relating to total inpatient admissions, total outpatient services,  
16 and emergency room admissions determined by the commission;

17           (12) if the commission finds that a managed care  
18 organization has violated Subdivision (11), a requirement that the  
19 managed care organization reimburse an out-of-network provider for  
20 health care services at a rate that is equal to the allowable rate  
21 for those services, as determined under Sections 32.028 and  
22 32.0281, Human Resources Code;

23           (13) a requirement that, notwithstanding any other  
24 law, including Sections 843.312 and 1301.052, Insurance Code, the  
25 organization:

26                   (A) use advanced practice registered nurses and  
27 physician assistants in addition to physicians as primary care

1 providers to increase the availability of primary care providers in  
2 the organization's provider network; and

3 (B) treat advanced practice registered nurses  
4 and physician assistants in the same manner as primary care  
5 physicians with regard to:

6 (i) selection and assignment as primary  
7 care providers;

8 (ii) inclusion as primary care providers in  
9 the organization's provider network; and

10 (iii) inclusion as primary care providers  
11 in any provider network directory maintained by the organization;

12 (14) a requirement that the managed care organization  
13 reimburse a federally qualified health center or rural health  
14 clinic for health care services provided to a recipient outside of  
15 regular business hours, including on a weekend day or holiday, at a  
16 rate that is equal to the allowable rate for those services as  
17 determined under Section [32.028](#), Human Resources Code, if the  
18 recipient does not have a referral from the recipient's primary  
19 care physician;

20 (15) a requirement that the managed care organization  
21 develop, implement, and maintain a system for tracking and  
22 resolving all provider appeals related to claims payment, including  
23 a process that will require:

24 (A) a tracking mechanism to document the status  
25 and final disposition of each provider's claims payment appeal;

26 (B) the contracting with physicians who are not  
27 network providers and who are of the same or related specialty as

1 the appealing physician to resolve claims disputes related to  
2 denial on the basis of medical necessity that remain unresolved  
3 subsequent to a provider appeal;

4 (C) the determination of the physician resolving  
5 the dispute to be binding on the managed care organization and  
6 provider; and

7 (D) the managed care organization to allow a  
8 provider with a claim that has not been paid before the time  
9 prescribed by Subdivision (7)(A)(ii) to initiate an appeal of that  
10 claim;

11 (16) a requirement that a medical director who is  
12 authorized to make medical necessity determinations is available to  
13 the region where the managed care organization provides health care  
14 services;

15 (17) a requirement that the managed care organization  
16 ensure that a medical director and patient care coordinators and  
17 provider and recipient support services personnel are located in  
18 the South Texas service region, if the managed care organization  
19 provides a managed care plan in that region;

20 (18) a requirement that the managed care organization  
21 provide special programs and materials for recipients with limited  
22 English proficiency or low literacy skills;

23 (19) a requirement that the managed care organization  
24 develop and establish a process for responding to provider appeals  
25 in the region where the organization provides health care services;

26 (20) a requirement that the managed care organization:

27 (A) develop and submit to the commission, before

1 the organization begins to provide health care services to  
2 recipients, a comprehensive plan that describes how the  
3 organization's provider network complies with the provider access  
4 standards established under Section 533.0061;

5 (B) as a condition of contract retention and  
6 renewal:

7 (i) continue to comply with the provider  
8 access standards established under Section 533.0061; and

9 (ii) make substantial efforts, as  
10 determined by the commission, to mitigate or remedy any  
11 noncompliance with the provider access standards established under  
12 Section 533.0061;

13 (C) pay liquidated damages for each failure, as  
14 determined by the commission, to comply with the provider access  
15 standards established under Section 533.0061 in amounts that are  
16 reasonably related to the noncompliance; and

17 (D) regularly, as determined by the commission,  
18 submit to the commission and make available to the public a report  
19 containing data on the sufficiency of the organization's provider  
20 network with regard to providing the care and services described  
21 under Section 533.0061(a) and specific data with respect to access  
22 to primary care, specialty care, long-term services and supports,  
23 nursing services, and therapy services on the average length of  
24 time between:

25 (i) the date a provider requests prior  
26 authorization for the care or service and the date the organization  
27 approves or denies the request; and

1 (ii) the date the organization approves a  
2 request for prior authorization for the care or service and the date  
3 the care or service is initiated;

4 (21) a requirement that the managed care organization  
5 demonstrate to the commission, before the organization begins to  
6 provide health care services to recipients, that, subject to the  
7 provider access standards established under Section 533.0061:

8 (A) the organization's provider network has the  
9 capacity to serve the number of recipients expected to enroll in a  
10 managed care plan offered by the organization;

11 (B) the organization's provider network  
12 includes:

13 (i) a sufficient number of primary care  
14 providers;

15 (ii) a sufficient variety of provider  
16 types;

17 (iii) a sufficient number of providers of  
18 long-term services and supports and specialty pediatric care  
19 providers of home and community-based services; and

20 (iv) providers located throughout the  
21 region where the organization will provide health care services;  
22 and

23 (C) health care services will be accessible to  
24 recipients through the organization's provider network to a  
25 comparable extent that health care services would be available to  
26 recipients under a fee-for-service or primary care case management  
27 model of Medicaid managed care;

1           (22) a requirement that the managed care organization  
2 develop a monitoring program for measuring the quality of the  
3 health care services provided by the organization's provider  
4 network that:

5                   (A) incorporates the National Committee for  
6 Quality Assurance's Healthcare Effectiveness Data and Information  
7 Set (HEDIS) measures;

8                   (B) focuses on measuring outcomes; and

9                   (C) includes the collection and analysis of  
10 clinical data relating to prenatal care, preventive care, mental  
11 health care, and the treatment of acute and chronic health  
12 conditions and substance abuse;

13           (23) subject to Subsection (a-1), a requirement that  
14 the managed care organization develop, implement, and maintain an  
15 outpatient pharmacy benefit plan for its enrolled recipients:

16                   (A) that exclusively employs the vendor drug  
17 program formulary and preserves the state's ability to reduce  
18 waste, fraud, and abuse under Medicaid;

19                   (B) that adheres to the applicable preferred drug  
20 list adopted by the commission under Section [531.072](#);

21                   (C) that includes the prior authorization  
22 procedures and requirements prescribed by or implemented under  
23 Sections [531.073](#)(b), (c), and (g) for the vendor drug program;

24                   (D) for purposes of which the managed care  
25 organization:

26                           (i) may not negotiate or collect rebates  
27 associated with pharmacy products on the vendor drug program

1 formulary; and

2 (ii) may not receive drug rebate or pricing  
3 information that is confidential under Section 531.071;

4 (E) that complies with the prohibition under  
5 Section 531.089;

6 (F) under which the managed care organization may  
7 not prohibit, limit, or interfere with a recipient's selection of a  
8 pharmacy or pharmacist of the recipient's choice for the provision  
9 of pharmaceutical services under the plan through the imposition of  
10 different copayments;

11 (G) that allows the managed care organization or  
12 any subcontracted pharmacy benefit manager to contract with a  
13 pharmacist or pharmacy providers separately for specialty pharmacy  
14 services, except that:

15 (i) the managed care organization and  
16 pharmacy benefit manager are prohibited from allowing exclusive  
17 contracts with a specialty pharmacy owned wholly or partly by the  
18 pharmacy benefit manager responsible for the administration of the  
19 pharmacy benefit program; and

20 (ii) the managed care organization and  
21 pharmacy benefit manager must adopt policies and procedures for  
22 reclassifying prescription drugs from retail to specialty drugs,  
23 and those policies and procedures must be consistent with rules  
24 adopted by the executive commissioner and include notice to network  
25 pharmacy providers from the managed care organization;

26 (H) under which the managed care organization may  
27 not prevent a pharmacy or pharmacist from participating as a

1 provider if the pharmacy or pharmacist agrees to comply with the  
2 financial terms and conditions of the contract as well as other  
3 reasonable administrative and professional terms and conditions of  
4 the contract;

5 (I) under which the managed care organization may  
6 include mail-order pharmacies in its networks, but may not require  
7 enrolled recipients to use those pharmacies, and may not charge an  
8 enrolled recipient who opts to use this service a fee, including  
9 postage and handling fees;

10 (J) under which the managed care organization or  
11 pharmacy benefit manager, as applicable, must pay claims in  
12 accordance with Section 843.339, Insurance Code; and

13 (K) under which the managed care organization or  
14 pharmacy benefit manager, as applicable:

15 (i) must comply with Section 533.00512 as a  
16 condition of contract retention and renewal [~~to place a drug on a~~  
17 ~~maximum allowable cost list, must ensure that:~~

18 [~~(a) the drug is listed as "A" or "B"~~  
19 ~~rated in the most recent version of the United States Food and Drug~~  
20 ~~Administration's Approved Drug Products with Therapeutic~~  
21 ~~Equivalence Evaluations, also known as the Orange Book, has an "NR"~~  
22 ~~or "NA" rating or a similar rating by a nationally recognized~~  
23 ~~reference, and~~

24 [~~(b) the drug is generally available~~  
25 ~~for purchase by pharmacies in the state from national or regional~~  
26 ~~wholesalers and is not obsolete];~~

27 (ii) must provide to a network pharmacy

1 provider, at the time a contract is entered into or renewed with the  
2 network pharmacy provider, the sources used to determine the actual  
3 acquisition [~~maximum allowable~~] cost (AAC) pricing [~~for the maximum~~  
4 ~~allowable cost list specific to that provider~~];

5 (iii) must review and update drug  
6 reimbursement [~~maximum allowable cost~~] price information at least  
7 once every seven days to reflect any modification of the actual  
8 acquisition [~~maximum allowable~~] cost (AAC) pricing or the factors  
9 used to determine that pricing;

10 (iv) [~~must, in formulating the maximum~~  
11 ~~allowable cost price for a drug, use only the price of the drug and~~  
12 ~~drugs listed as therapeutically equivalent in the most recent~~  
13 ~~version of the United States Food and Drug Administration's~~  
14 ~~Approved Drug Products with Therapeutic Equivalence Evaluations,~~  
15 ~~also known as the Orange Book,~~

16 [~~v) must establish a process for~~  
17 ~~eliminating products from the maximum allowable cost list or~~  
18 ~~modifying maximum allowable cost prices in a timely manner to~~  
19 ~~remain consistent with pricing changes and product availability in~~  
20 ~~the marketplace,~~

21 [~~vi)] must:~~

22 (a) provide a procedure under which a  
23 network pharmacy provider may challenge a listed actual acquisition  
24 [~~maximum allowable~~] cost (AAC) price for a drug;

25 (b) respond to a challenge not later  
26 than the 15th day after the date the challenge is made;

27 (c) if the challenge is successful,

1 make an adjustment in the drug price effective on the date the  
2 challenge is resolved, and make the adjustment applicable to all  
3 similarly situated network pharmacy providers, as determined by the  
4 managed care organization or pharmacy benefit manager, as  
5 appropriate;

6 (d) if the challenge is denied,  
7 provide the reason for the denial; and

8 (e) report to the commission every 90  
9 days the total number of challenges that were made and denied in the  
10 preceding 90-day period for each [~~maximum allowable cost list~~] drug  
11 for which a challenge was denied during the period; and

12 (v) [~~(vii) must notify the commission not~~  
13 ~~later than the 21st day after implementing a practice of using a~~  
14 ~~maximum allowable cost list for drugs dispensed at retail but not by~~  
15 ~~mail; and~~

16 [(~~viii~~)] must provide a process for each of  
17 its network pharmacy providers to readily access the drug  
18 reimbursement price [~~maximum allowable cost~~] list specific to that  
19 provider;

20 (24) a requirement that the managed care organization  
21 and any entity with which the managed care organization contracts  
22 for the performance of services under a managed care plan disclose,  
23 at no cost, to the commission and, on request, the office of the  
24 attorney general all discounts, incentives, rebates, fees, free  
25 goods, bundling arrangements, and other agreements affecting the  
26 net cost of goods or services provided under the plan;

27 (25) a requirement that the managed care organization

1 not implement significant, nonnegotiated, across-the-board  
2 provider reimbursement rate reductions unless:

3 (A) subject to Subsection (a-3), the  
4 organization has the prior approval of the commission to make the  
5 reduction; or

6 (B) the rate reductions are based on changes to  
7 the Medicaid fee schedule or cost containment initiatives  
8 implemented by the commission; and

9 (26) a requirement that the managed care organization  
10 make initial and subsequent primary care provider assignments and  
11 changes.

12 SECTION 2. Subchapter A, Chapter 533, Government Code, is  
13 amended by adding Section 533.00512 to read as follows:

14 Sec. 533.00512. REIMBURSEMENT METHODOLOGY FOR PRESCRIPTION  
15 DRUGS. (a) A managed care organization that contracts with the  
16 commission under this chapter or a pharmacy benefit manager  
17 administering a pharmacy benefit program on behalf of the managed  
18 care organization shall reimburse a pharmacy or pharmacist that  
19 dispenses a prescribed prescription drug to a recipient for not  
20 less than the lesser of:

21 (1) the average of Texas pharmacies' actual  
22 acquisition cost (AAC) for the drug, plus a dispensing fee that is  
23 not less than a minimum amount adopted by rule by the executive  
24 commissioner; or

25 (2) the amount claimed by the pharmacy or pharmacist,  
26 including the gross amount due or the usual and customary charge to  
27 the public for the drug.

1       (b) The methodology adopted by rule by the executive  
2 commissioner to determine Texas pharmacies' actual acquisition  
3 cost (AAC) for purposes of Subsection (a) must be consistent with  
4 the actual prices Texas pharmacies pay to acquire prescription  
5 drugs marketed or sold by a specific manufacturer and may be based  
6 on the National Average Drug Acquisition Cost published by the  
7 Centers for Medicare and Medicaid Services or another publication  
8 approved by the executive commissioner.

9       (c) The executive commissioner shall develop a process for  
10 the periodic study of Texas pharmacies' actual acquisition cost  
11 (AAC) for prescription drugs and publish the results of each study  
12 on the commission's Internet website.

13       (d) The dispensing fee adopted by the executive  
14 commissioner for purposes of Subsection (a) must be based on Texas  
15 pharmacies' dispensing costs for prescription drugs.

16       (e) Not less frequently than once every five years, the  
17 commission shall conduct a study of Texas pharmacies' dispensing  
18 costs for prescription drugs. Based on the results of the study,  
19 the executive commissioner shall consider amending the minimum  
20 amount of the dispensing fee in Subsection (a).

21       SECTION 3. Subchapter D, Chapter 62, Health and Safety  
22 Code, is amended by adding Section 62.160 to read as follows:

23       Sec. 62.160. REIMBURSEMENT METHODOLOGY FOR PRESCRIPTION  
24 DRUGS. A managed care organization providing pharmacy benefits  
25 under the child health plan program or a pharmacy benefit manager  
26 administering a pharmacy benefit program on behalf of the managed  
27 care organization shall comply with Section 533.00512, Government

1 Code.

2 SECTION 4. Section 32.0462(a), Human Resources Code, is  
3 amended to read as follows:

4 (a) Notwithstanding any other provision of state law, the  
5 commission shall:

6 (1) use the reimbursement methodology under Section  
7 533.00512, Government Code, to determine [~~consider a nationally~~  
8 ~~recognized, unbiased pricing standard for prescription drugs in~~  
9 ~~determining~~] reimbursement amounts under the vendor drug program;  
10 and

11 (2) update reimbursement amounts under the vendor drug  
12 program at least weekly.

13 SECTION 5. Section 533.005(a-2), Government Code, is  
14 repealed.

15 SECTION 6. If before implementing any provision of this Act  
16 a state agency determines that a waiver or authorization from a  
17 federal agency is necessary for implementation of that provision,  
18 the agency affected by the provision shall request the waiver or  
19 authorization and may delay implementing that provision until the  
20 waiver or authorization is granted.

21 SECTION 7. This Act takes effect March 1, 2018.
