Sec. 3946.003. CREATION AND NATURE OF DISTRICT. The district is a special district created under Section 59, Article XVI, Texas Constitution.

Sec. 3946.004. PURPOSE; LEGISLATIVE FINDINGS. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter. By creating the district and in authorizing the city and other political subdivisions to contract with the district, the legislature has established a program to accomplish the public purposes set out in Section 52-a, Article III, Texas Constitution.

(b) The creation of the district is necessary to promote, develop, encourage, and maintain employment, commerce, transportation, housing, tourism, recreation, the arts, entertainment, economic development, safety, and the public welfare in the district.

1 (c) This chapter and the creation of the district may not be
2 interpreted to relieve the city from providing the level of
3 services provided to the area in the district as of the effective
4 date of the Act enacting this chapter. The district is created to
5 supplement and not to supplant the city services provided in the
6 district.

7 Sec. 3946.005. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
8 The district is created to serve a public use and benefit.

9 (b) All land and other property included in the district
10 will benefit from the improvements and services to be provided by
11 the district under powers conferred by Sections 52 and 52-a,
12 Article III, and Section 59, Article XVI, Texas Constitution, and
13 other powers granted under this chapter.

14 (c) The district is created to accomplish the purposes of a
15 municipal management district as provided by general law and
16 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
17 Texas Constitution.

18 (d) The creation of the district is in the public interest
19 and is essential to further the public purposes of:

20 (1) developing and diversifying the economy of the
21 state;

22 (2) eliminating unemployment and underemployment;

23 (3) providing quality residential housing; and

24 (4) developing or expanding transportation and
25 commerce.

26 (e) The district will:

27 (1) promote the health, safety, and general welfare of

residents, employers, potential employees, employees, visitors,
and consumers in the district, and of the public;

(2) provide needed funding for the district to
preserve, maintain, and enhance the economic health and vitality of
the district territory as a residential community and business
center; and

of the public by providing pedestrian ways and by landscaping and
developing certain areas in the district, which are necessary for
the restoration, preservation, and enhancement of scenic beauty.

(f) Pedestrian ways along or across a street, whether at
grade or above or below the surface, and street lighting, street
landscaping, parking, and street art objects are parts of and
necessary components of a street and are considered to be a street
or road improvement.

(g) The district will not act as the agent or
instrumentality of any private interest even though the district
will benefit many private interests as well as the public.

district is initially composed of the territory described by
Section 2 of the Act enacting this chapter.

(b) The boundaries and field notes contained in Section 2 of

does not affect the district's:
