The amount of funding shall be determined [~~the commissioner shall annually adjust the local fund assignment of a district to which territory is annexed under this section~~] by multiplying the lesser of the enlarged district's local fund assignment computed under Section 42.252 or the enlarged district's total cost of Tier I by a fraction, the numerator of which is the number of students residing in the [~~district~~] territory annexed to the receiving district preceding the date of the annexation and the denominator of which is the number of students residing in the district as enlarged on the date of the annexation.

(h) The commissioner may authorize a district to receive payments provided by Subchapter G, Chapter 13, Texas Education Code instead of subsection (f), if the commissioner determines that would result in greater payments for the district. A determination
