Sec. 3923.003. CONFIRMATION ELECTION REQUIRED. (a) On receipt of a petition signed by a majority of the owners of real property in the district according to the most recent certified tax appraisal roll for the county, the initial board shall hold an election to confirm the creation of the district in the manner

1 provided by Subchapter D, Chapter 49, Water Code.

2 (b) The board may not issue bonds or other obligations
3 unless the creation of the district is confirmed as provided by this
4 section.

5 Sec. 3923.004. PURPOSE; LEGISLATIVE FINDINGS. (a) The
6 creation of the district is essential to accomplish the purposes of
7 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
8 Texas Constitution, and other public purposes stated in this
9 chapter. By creating the district and in authorizing the city and
10 other political subdivisions to contract with the district, the
11 legislature has established a program to accomplish the public
12 purposes set out in Section 52-a, Article III, Texas Constitution.

13 (b) The creation of the district is necessary to promote,
14 develop, encourage, and maintain employment, commerce,
15 transportation, housing, tourism, recreation, the arts,
16 entertainment, economic development, safety, and the public
17 welfare in the district.

18 (c) The district is created to supplement and not to
19 supplant city services provided in the district.

20 Sec. 3923.005. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)
21 The district is created to serve a public use and benefit.

22 (b) All land and other property included in the district

25 Article III, and Section 59, Article XVI, Texas Constitution, and
26 other powers granted under this chapter.

27 (c) The creation of the district is in the public interest

1 and is essential to further the public purposes of:

2 (1) developing and diversifying the economy of the
3 state;

4 (2) eliminating unemployment and underemployment;

5 (3) developing or expanding transportation and
6 commerce; and

7 (4) providing quality residential housing.

8 (d) The district will:

9 (1) promote the health, safety, and general welfare of
10 residents, employers, potential employees, employees, visitors,

19 district, which are necessary for the restoration, preservation,
20 and enhancement of scenic beauty.

21 (e) Pedestrian ways along or across a street, whether at
22 grade or above or below the surface, and street lighting, street
23 landscaping, vehicle parking, and street art objects are parts of
24 and necessary components of a street and are considered to be an
25 improvement project that includes a street or road improvement.

27 instrumentality of any private interest even though the district

1 will benefit many private interests as well as the public.

2 Sec. 3923.006. DISTRICT TERRITORY. (a) The district is
3 initially composed of the territory described by Section 2 of the
4 Act enacting this chapter.

5 (b) The boundaries and field notes contained in Section 2 of
6 the Act enacting this chapter form a closure. A mistake in the
7 field notes or in copying the field notes in the legislative process
8 does not affect the district's:

9 (1) organization, existence, or validity;

10 (2) right to issue any type of bond for the purposes
11 for which the district is created or to pay the principal of and
12 interest on a bond;

2 in the tax increment fund to the district to be used by the district
3 for the purposes permitted for money granted to a corporation under
4 Section 380.002(b), Local Government Code, including the right to
5 pledge the money as security for any bonds issued by the district
6 for an improvement project. A project may not receive public funds
7 under Section 380.002(b), Local Government Code, unless the project
8 has been approved by the governing body of the city.

10 DISTRICTS LAW. Except as otherwise provided by this chapter,
11 Chapter 375, Local Government Code, applies to the district.

1 resulting from an addition to or correction of the assessment roll
2 by the district, penalties and interest on an assessment or
3 reassessment, an expense of collection, and reasonable attorney's
4 fees incurred by the district:

5 (1) are a first and prior lien against the property

8 a lien or claim for county, school district, or municipal ad valorem
9 taxes; and

10 (3) are the personal liability of and a charge against
11 the owners of the property even if the owners are not named in the
12 assessment proceedings.

13 (c) The lien is effective from the date of the board's
14 resolution imposing the assessment until the date the assessment is
15 paid. The board may enforce the lien in the same manner that the
16 board may enforce an ad valorem tax lien against real property.

17 (d) The board may make a correction to or deletion from the
18 assessment roll that does not increase the amount of assessment of
19 any parcel of land without providing notice and holding a hearing in
20 the manner required for additional assessments.

21 Sec. 3923.156. STORM WATER USER CHARGES. The district may
22 establish user charges related to the operation of storm water
23 facilities, including the regulation of storm water for the
24 protection of water quality in the district.

25 Sec. 3923.157. NONPOTABLE WATER USER CHARGES. The district
26 may establish user charges for the use of nonpotable water for
27 irrigation purposes, subject to approval of the governing body of

1 the city.

2 Sec. 3923.158. COSTS FOR IMPROVEMENT PROJECTS. The
3 district may undertake separately or jointly with other persons,
4 including the city or county, all or part of the cost of an
5 improvement project, including an improvement project:

6 (1) for improving, enhancing, and supporting public
7 safety and security, fire protection and emergency medical
8 services, and law enforcement in or adjacent to the district; or

9 (2) that confers a general benefit on the entire
10 district or a special benefit on a definable part of the district.

11 Sec. 3923.159. TAX AND ASSESSMENT ABATEMENTS. The district
12 may designate reinvestment zones and may grant abatements of a tax
13 or assessment on property in the zones.

14 SUBCHAPTER E. TAXES AND BONDS

15 Sec. 3923.201. TAX ABATEMENT. The district may enter into a
16 tax abatement agreement in accordance with the general laws of this
17 state authorizing and applicable to a tax abatement agreement by a
18 municipality.

19 Sec. 3923.202. PROPERTY TAX AUTHORIZED. (a) The district
20 may impose an ad valorem tax on all taxable property in the district
21 to:

22 (1) pay for an improvement project of the types

24 XVI, Texas Constitution; or

25 (2) secure the payment of bonds issued for a purpose
26 described by Subdivision (1).

27 (b) The district may not impose an ad valorem tax to pay for

1 an improvement project under this chapter unless the imposition is
2 approved by the voters of the district voting at an election held
3 for that purpose. The board may call an election to approve the
4 imposition of an ad valorem tax to pay for an improvement project
5 under this chapter only if the board receives a petition requesting
6 the election signed by:

7 (1) more than 51 percent of the record owners of real
8 property in the district subject to taxation; or

9 (2) owners representing more than 51 percent of the
10 appraised value of real property in the district subject to
11 taxation, as determined by the tax rolls of the appraisal district.

12 Sec. 3923.203. SALES AND USE TAX. (a) The district may
13 impose a sales and use tax if authorized by a majority of the voters
14 of the district voting at an election called for that purpose.
15 Revenue from the tax may be used for any purpose for which ad
16 valorem tax revenue of the district may be used.

17 (b) The district may not adopt a sales and use tax if as a
18 result of the adoption of the tax the combined rate of all sales and
19 use taxes imposed by the district and other political subdivisions
20 of this state having territory in the district would exceed two
21 percent at any location in the district.

22 (c) If the voters of the district approve the adoption of
23 the tax at an election held on the same election date on which
24 another political subdivision adopts a sales and use tax or
25 approves an increase in the rate of its sales and use tax and as a
26 result the combined rate of all sales and use taxes imposed by the
27 district and other political subdivisions of this state having

1 territory in the district would exceed two percent at any location
2 in the district, the election to adopt a sales and use tax under
3 this chapter has no effect.

4 Sec. 3923.204. BONDS AND OTHER OBLIGATIONS. (a) The
5 district may issue, by public or private sale, bonds, notes, or
6 other obligations payable wholly or partly from ad valorem taxes,
7 sales and use taxes, or assessments in the manner provided by
8 Subchapter A, Chapter 372, or Subchapter J, Chapter 375, Local
9 Government Code.

10 (b) In exercising the district's borrowing power, the
11 district may issue a bond or other obligation in the form of a bond,
12 note, certificate of participation or other instrument evidencing a
13 proportionate interest in payments to be made by the district, or
14 other type of obligation.

15 (c) In addition to the sources of money described by
16 Subchapter A, Chapter 372, and Subchapter J, Chapter 375, Local
17 Government Code, district bonds may be secured and made payable
18 wholly or partly by a pledge of any part of the money the district
19 receives from improvement revenue or from any other source.

20 Sec. 3923.205. BOND MATURITY. Bonds may mature not more
21 than 40 years from their date of issue.

22 Sec. 3923.206. TAXES FOR BONDS AND OTHER OBLIGATIONS. At
23 the time bonds or other obligations payable wholly or partly from ad
24 valorem taxes are issued:

25 (1) the board shall impose a continuing direct annual
26 ad valorem tax for each year that all or part of the bonds are
27 outstanding; and

1 (2) the district annually shall impose an ad valorem
2 tax on all taxable property in the district in an amount sufficient
3 to:

4 (A) pay the interest on the bonds or other
5 obligations as the interest becomes due; and

6 (B) create a sinking fund for the payment of the
7 principal of the bonds or other obligations when due or the
8 redemption price at any earlier required redemption date.

9 SUBCHAPTER F. DISSOLUTION

10 Sec. 3923.251. DISSOLUTION BY CITY ORDINANCE. (a) The city
11 by ordinance may dissolve the district.

12 (b) The city may not dissolve the district until the
13 district's outstanding debt or contractual obligations that are
14 payable from ad valorem taxes have been repaid or discharged, or the
15 city has affirmatively assumed the obligation to pay the
16 outstanding debt from city revenue.

17 Sec. 3923.252. DISSOLUTION BY BOARD OR PETITION. (a)
18 Except as provided by Subsection (b), the board:

19 (1) may dissolve the district; and

20 (2) shall dissolve the district on receipt of a
21 written petition requesting dissolution signed by a majority of the
22 owners of real property in the district.

23 (b) The board may not dissolve the district until the
24 district's outstanding indebtedness or contractual obligations
25 that are payable from ad valorem taxes have been repaid or
26 discharged, or the city has affirmatively assumed the obligation to
27 pay the outstanding debt from city revenue.

1 Sec. 3923.253. COLLECTION OF ASSESSMENTS AND OTHER REVENUE.

2 (a) If the dissolved district has bonds or other obligations
3 outstanding secured by and payable from assessments or other
4 revenue, other than ad valorem taxes, the city shall succeed to the
5 rights and obligations of the district regarding enforcement and
6 collection of the assessments or other revenue.

7 (b) The city shall have and exercise all district powers to
8 enforce and collect the assessments or other revenue to pay:

9 (1) the bonds or other obligations when due and
10 payable according to their terms; or

11 (2) special revenue or assessment bonds or other
12 obligations issued by the city to refund the outstanding bonds or
13 obligations.

14 Sec. 3923.254. ASSUMPTION OF ASSETS AND LIABILITIES. (a)
15 After the district is dissolved, the city assumes, subject to the
16 appropriation and availability of funds, the obligations of the
17 district, including any bonds or other debt payable from
18 assessments or other district revenue.

19 (b) After the district is dissolved, the board shall
20 transfer ownership of all district property to the city.
